10. **Concern for Environment** - Demonstrates responsibility for maintaining an environment, which is conducive to the work of PharmaCare. Takes necessary measures to assure work area and the Company, as a whole is kept safe, neat, quiet and clean.

Marginal Functions:

A review of this job description may have omitted some of the marginal functions of the position that are incidental to the performance of the job duties and responsibilities. This position description, in no way, states or implies that these are the only duties and/or responsibilities to be performed by the employee in this position. The employee in this position will be required to follow any other job-related instructions and to perform any other job-related duties requested by his/her supervisor.

I acknowledge that my employment relationship with PharmaCare Services, unless otherwise provided in writing, shall be defined as “employment-at-will” where either party may dissolve the relationship at any time.
I have reviewed this job description and understand that is my responsibility to perform up to the high standards set forth by PharmaCare Services.

I realize that I may have to handle hazardous drugs and may also have to compound hazardous products. I attest that I understand the adverse risks associated with handling and compounding these drugs.
